3rd Annual Postdoctoral Scholars Meeting Friday, November 7, 2008

**1-5pm Presentations/ 5-7pm Appetizer Buffet/Cash Bar
Salt Lake City Marriott University Park Hotel**

“The Role of Imagination in Planning for a Career”

****Keynote Speaker****

**Charles “Chuck” House, MSEE, MA, MBA (Stanford University)
Executive Director MediaX Group and Senior Research Scholar
Human Science & Technology Advanced Research Program**

Chuck will provide a thoughtful review of his career as a scientist and executive at both Hewlett-Packard and Intel, where "the road less taken" led him to make important discoveries not only about himself, but also the inventions, patents, and computer creations that continue to benefit both people and research.

****Breakout sessions****

Christian Dimaano, PhD (Myriad) *Imagination in Start-up Companies*
Frank Fitzpatrick, PhD (Oncological Sciences) *Imagination in Reading Outside Your Field*
Hamid Ghandehari, PhD (Pharmaceuticals/Bioengineering) *Imagination in Nanotech*
Rajiv Kulkarni, PhD, MBA (Technology Commercialization Office) *Imagination in Inventions*

****2008 Faculty Mentor Awardee Brief Presentations****
