

## 2025-2026 Projected Tuition Benefit Calendar\*

<b>Deadline</b>	<b>Fall 2025</b>	<b>Spring 2026</b>	<b>Summer 2026</b>
<b>TBP portal open for student entry</b>	July 7, 2025	November 24, 2025	March 30, 2026
<b>Estimated first TBP conditional posting</b>	August 11, 2025	December 29, 2025	May 4, 2026
<b>Suggested ePAF processing deadline</b>	August 4, 2025	December 19, 2025	May 8, 2026
<b>First day of classes</b>	August 18, 2025	January 5, 2026	May 11, 2026
<b>Tuition due by 4:45pm (also add/drop deadline)</b>	August 29, 2025	January 16, 2026	May 20, 2026
<b>Campus census - portal closes at 3:00pm</b>	September 8, 2025	January 26, 2026	June 1, 2026
<b>Approximate GSHIP Payroll Charge</b>	September 22, 2025	February 9, 2026	N/A
<b>STB Initial Run</b>	September 9, 2025	January 27, 2026	June 2, 2026
<b>Signed signature page due by email by 5:00pm</b>	September 19, 2025	February 6, 2026	June 12, 2026
<b>Mid-semester TBP report review</b>	October 24, 2025	March 6, 2026	June 19, 2026
<b>Last conditional TBP processing of semester</b>	January 8, 2026	May 25, 2026	August 24, 2026
<b>TBP final calculation (actual support)</b>	January 16, 2026	June 1, 2026	August 31, 2026
<b>Overrides/corrections due by 5:00pm</b>	January 23, 2026	June 5, 2026	September 4, 2026

(See reverse side for deadline descriptions)

## 2025-2026 Projected Tuition Benefit Calendar\*

**Portal Open** – The tuition benefit portal opens in CIS for student entry approximately six weeks prior to the first day of classes of each semester. Coordinators are encouraged to enter students as early as possible, which ensures continuation of insurance benefits, but should only be entered when assistantship contracts are signed and fellowship offers accepted.

**Estimated First TBP Conditional Posting** – The first day that conditional tuition benefits are applied to student's tuition bills; tuition benefit disbursement process is then run each business day thru the end of the semester. Coordinators are encouraged to follow up with any student who has not signed their TBP agreement or enrolled appropriately, to encourage their students to review their bills to ensure that benefits are correct, and for coordinators to elevate any necessary issues to the Office of Fellowships & Benefits ([tuitionbenefit@gradschool.utah.edu](mailto:tuitionbenefit@gradschool.utah.edu)).

**Suggested ePAF Processing Deadline** – Assistantship (TA and RA) ePAFs should be completed by HR by this date to ensure job records are complete and earnings begin on the first day of the semester payroll period (Fall – August 16, Spring – January 1, and Summer – May 16).

**First Day of Classes** – First day of classes for the semester.

**Tuition Due** – Tuition bill payment is due by 4:45pm, whether paid by the student or department. Should students have an outstanding balance after this deadline, they may incur a late fee; if benefits have not posted due to students not signing or enrolling appropriately, they may risk classes being dropped. This is also the deadline for adding/dropping classes; any classes removed from active enrollment after this day will be considered a withdraw, which TBP will not cover and the student will have the responsibility to pay.

**Campus Census** – This is the day enrollment registration is conducted; the tuition benefit portal will close at 3:00pm. As the portal closes on this day, it is also the last day to print the signature page. Any requests for late adds to tuition benefit after this day should be submitted by the department through a petition.

**Signature Page Deadline** – Ensuring that all TBP entries are correct, the signature page should be signed by the department chair/school director and submitted (in PDF form) by email to [tuitionbenefit@gradschool.utah.edu](mailto:tuitionbenefit@gradschool.utah.edu) by 5:00pm.

**Approximate GSHIP Payroll Charge** – As part of being on GSHIP, the department is required to subsidize the premium via the student's employment (assistantship). That charge is added automatically via HR and will show as a one-time charge in a pay period after census (either the first, or if delays occur, the second).

**STB Initial Run** – The first day that Sponsored Tuition Benefit chartfields are charged. This process checks nightly for new information after this date to ensure accuracy until the final TB calculation.

**Mid-Semester Report Review** – Review TBP report to ensure that students are on-track to maintain their benefits, and attend to any error messages. A mid-semester review of the report is expected of coordinators; however, coordinators are encouraged to review reports monthly.

**Last Conditional TBP Processing** – After the final paycheck of the semester, a conditional processing will be ran one last time in order for the final paycheck to populate in actual support prior to the final calculation. This will allow coordinators the opportunity to address concerns and request overrides before the final calculation and a potential reduction or loss of tuition benefits.

**Final TBP Calculation** – Final calculation for tuition benefit, where all benefits are finalized and based on actual support (as opposed to conditional). Should a student not meet the minimum support or other eligibility requirements, their tuition benefit may be reduced or removed, resulting in a possible tuition bill and registration/transcript hold. Coordinators are encouraged to run their reports at this time to identify any need for overrides/corrections.

**Overrides/Corrections Due** – Any final adjustments to student's tuition benefit record for the semester are due to [tuitionbenefit@gradschool.utah.edu](mailto:tuitionbenefit@gradschool.utah.edu) by 5:00pm with any relevant documentation. There is no guarantee that an override after this date can be processed, and such requests will require a letter from their department chair or director of graduate studies.
